

EXECUTIVE OFFICE OF THE PRESIDENT  
OFFICE OF DEFENSE MOBILIZATION

Washington 25, D. C.

June 10, 1955

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

SUBJECT: Operation Alert

Plans are being developed to meet the possible emergencies of relocation site planning and activation for "Operation Alert" including one requirement in which, I am sure, you will be personally interested.

Consideration has been given to the possibility of a necessity arising which would demand urgent and coordinated termination of the relocation test. To meet such an emergency, a plan has been selected to effect orderly termination, if and when such a condition might arise.

There is enclosed a classified INSTRUCTION GUIDE for Relocation Officers, with copies intended for Site Executive Director, Communication Officer, and Relocation Officer. Briefing regarding this instruction should be held to a minimum as deemed necessary by you.

Your cooperation and continuing interest in this mobilization planning requirement as well as other phases of the activation of relocation sites is greatly appreciated.

Sincerely yours,

Arthur S. Fleming  
Director
